INT - SURFBOARD SHAPING BAY - NIGHT

RIP SHREDDINGSWORTH is working on a roughly shaped white foam surfboard blank, using various saws, planing tools, files, and sanding blocks.

Rip is tall & athletic, with blond bushy hair, tan skin and chiseled looks.

Standing across the rooms, watching Rip work is RAT SQUIDDLY, a small, skinny, awkward lad of about 18.

RAT

Dang, Rip! How do you get so much power when you hit the lip? Dude, you're throwing buckets out there! I try to hit it like that and I either fall or just barely get a little wimpy spray.

RIP

(pulls down protective mask)  
That's cause you're still trying to turn with your knees. It's all in the hips, bro-bro! You gotta slam that shit with your hips, you know what I'm sayin', Ratty-boy?

RAT

Kind of. You mean, sort of like...  
(starts making awkward hip motion)

RIP

(laughs)  
No, no, Rat. You gotta slam it like you're doin' a big girl.

Rip taps on a surfboard leaning against a rack which has a large decal of She-Hulk, buff and green, but attractive, feminine, and dressed in a sexy outfit.

RIP

Like, imagine you're gettin' it on with She-Hulk.

Suddenly appearing to "pop" out from the surfboard decal is the male Incredible Hulk, dressed in drag i.e. the same sexy outfit as the She-Hulk decal.

This "Drag" Hulk, however, is not feminine or attractive at all, and eyeballs Rat while grunting and growling amorously.

(CONTINUED)

RIP

Right? So, She-Hulk is a big, sturdy gal, so you need to put a lot more "oomph" into it before she'll even feel anything.

Drag-Hulk growls approvingly and bats his eyelashes at Rat.

Rat giggles, nervously rubs back of neck, then abruptly shakes his head.

RAT

Dude! I can't do it with She-Hulk!

Drag-Hulk whimpers, starts to cry, and pulls a hanky out of his purse. He wipes tears off of his streaked mascara, and scurries off on his stiletto heels, sniveling and blowing his nose along the way.

RIP

OK, forget She-Hulk. Imagine you're makin' it with a really crazy chick.

RAT

You mean like Sarah?

RIP

Crazier than Sarah!

RAT

Really? Cause Sarah is pretty effin crazy!

RIP

Crazier than Sarah! I mean, this chick likes it rough, OK? She wants you slam her really friggin hard, right?

RAT'S POV

A young, attractive blond woman appears up close, wearing shiny hot-pants, stiletto heels, and a tight-fitting top.

She is writhing, growling, kissing, hissing, biting, licking, laughing maniacally, moaning, screaming, scratching, clawing, punching, kicking, violently shaking us, in varying orders and combinations of all of the above.

END RAT'S POV

(CONTINUED)

RIP

Come on! Let's see those hips  
swing! You gotta slam her harder  
than that! She wants you to slam  
her through the frickin' headboard,  
know what I'm sayin'?!

Rat, looking wide-eyed and scared, is standing alone in the middle of the room (still fully clothed in his surfer uniform of T-shirt, shorts, and flip-flops), thrusting his hips more and more vigorously.

Rip coaches him from across the room.

RAT'S POV

The Crazy Chick is bent over away from us, still fully clothed in her tight hot-pants uniform, on all fours on a bed with a large headboard.

She is looking back at us, panting and grunting, bucking with Rat's hip motion.

CUT TO

RIP

Come on!!!! Push it like you mean  
it!!

Rip is still exuberantly coaching the lone Rat from across the shaping room, but now has an open beer in his hand.

CUT TO

RAT'S POV

CRAZY CHICK

(Crazy chick's body, but with  
Rip's face)

Harder! You fucking pussy!!!!

Crazy Chick with Rip's face is scowling back at us from her all-fours position on the bed.

CUT TO

RAT

(With consternation)

Oh crap!!

We see Rat's head and upper body, desperately thrusting with all of his might.

(CONTINUED)

But then Rat's eyes change from scared to determined.

Slow motion close up of Rat's (clothed) hips making his biggest thrust yet. Bionic sounds.

End Slo-mo with a huge explosion of rubble and smoke.

After the dust clears, in the aftermath of the explosion we see the bed collapsed forward, a huge hole in the headboard and wall behind it, filled with rubble and debris. Only the legs and stiletto heels of the Crazy Chick are visible sticking out of the pile.

RAT

Woah...

RIP

YEAH!!! That's the spirit!!!

The broken bed, pile of rubble, crazy chick, and hole in the wall all vanish suddenly.

RIP

That's what I'm fuckin' talkin' about! If you can put that kind of commitment from your hips into your turns, you'll be DESTROYING those lips and throwing HUGE buckets in no time!

We see young Rat's wide eyes with a subtle smirk starting to form on the corner of his mouth while Rip's words "In no time" repeat over and over until fade out.

EXT. SURFING BREAK, OCEAN - DAY

Rat is sitting on his surfboard in the ocean. He sees a wave heading his way, turns his board around, lays down on board in one graceful motion and starts paddling.

RAT'S POV

We see Rat's surfboard underneath us, taking off with the wave. Rat's feet quickly and gracefully swing underneath us and our POV raises higher.

The large, curling lip of the wave looms overhead.

FLASHBACK

We see Rip's face in the shaping room.

(CONTINUED)

RIP  
Slam that Shit with your hips!

END FLASHBACK

We see Rat's hips make an exaggerated humping motion, followed by a loud "WHOMP" sound as the bottom of the surfboard hits the falling lip with great force and surface tension.

RAT'S POV

Cascading water sprays everywhere.

We see the Surfboard overhead and upside down, leave Rat's feet and falls on top of us.

We go underwater briefly with turbulence, then resurface.

A SURFER is sitting on his board several yards away.

SURFER  
Woah, bro... you got so much spray  
on that...

RAT  
Really?  
(smiles)

SURFER  
You killed it, brahh...
